Bm G D/F# A

Verse 1

Bm G D/F#
I saw I saw a new heaven and a new earth
A

For the first had passed away
I saw a new city, Jerusalem
A bride on her wedding day
I heard a loud voice from the throne saying
“Look at the dwelling place of God”
He will dwell with them, they will be his people
And He will be their God

Chorus

D G D/F# Bm
Wipe away every tear from our eyes
D G D/F# A
Death will be no more

Verse 2

And he who is seated on the throne,
Said “I am making all things new”
He said “It is finished, hear these words
They are trustworthy and true”
He is the Alpha and the Omega,
The beginning and the end
And to the thirsty he will give water, from a river with no end

Bridge

G A
All this mourning, all this crying
Bm D/F#
All this death we’ve seen, all these broken things will end
All our pain, all this death we’ve seen, all the former things

will end

Just like the black poison that hangs from its limbs

Em **C**
I tried to tie good fruit
G **D/F#** **D#/F#**

It rotted and fell off, it was dead to the core

It even killed the ground, I was worse than before
